Projects of ASSN

1. Against Girls Trafficking.

Even though, there are many approaches to prevent girl trafficking. ASSN has been adopting some of such approaches in the field about the programmes activities and achievement has been described below.

1.1. Objective of the Programmes.

The main objective of the programme is to stop girls trafficking in Nepal;

the specific objectives of the programme are as per following.

- To carry out patrolling and counseling at border between India and Nepal and Butwal Bus station.
- To help the police to identify the traffickers to punish them.
- To save women and girls from reaching the brothels of different cities of Indian cities.
- To provide awareness about women and girls trafficking in the Communities.
- To provide Vocational and skill development programme in the backward communities focusing women and girls to make them self-dependent and job opportunities.
- To provide Income generating programme to women in the communities.
- To support women and girls for micro enterprises
- To provide shelter home to women and girls who have return back in Nepal after trafficked and can't rehabilitation in the communities and family and girls who are extremely high risk of trafficking and have found in the border while monitoring in the border.
- To make empower to women and girls of the communities.

1.2. Geographical Area of the Programmes

ASSN has been working in Rupandehi, Kapilvastu and Nawalparasi districts of 5 no province of Nepal.

1.3. Patrolling Programme.

Patrolling programme is running continuously to prevent girls

trafficking. Rupendehi district of Nepal has become a main transit point for women trafficking. Through this district and boarder, women and girls from different districts are used to taking India and other foreign country for different purposes. Among the Nepal- India open border, Sunauli is a main point for crossing the India many people uses this boarder while going to India. So, ASSN has been mobilizing volunteers at Sunauli boarder and Butwal Bus station area. We have found many girls moving to India for works but they are actually taken by Traffickers for prostitution. We have made those girls returned to their home after counseling by boarder staffs and those whose do not have parents and are homeless and helpless are kept in grace shelter home. Just some time ago we were able to put a booth in Butwal Bus Station.

1.3.1. Activities.

Following activities are carried out in boarder and Butwa Bus Station under boarder patrolling programme.

- Strictly monitored in Sunauli boarder and Butwal Bus Station upon the women and girls who are going to India and crossing the border.
- Counseling to those women whom seem doubt
- The girls who are going to India with unknown person in different pretend and no have their parents in home and are at high risk of trafficking is referred to grace shelter home.

1.3.2. Method/ Approach

The method / approach of boarder patrolling programme has been written below

- Monitor in border and Butwal bus station with coordination of

Nepal police.

- Staff stays in boarder and Bus Station area watching the women going to India.
- Counseling to women who are going in India.

1.3.3. Achievements

The achievements of patrolling programme since January to March is below.

1.3.4. Monitoring

ASSN border patrolling programme had been monitored by the Dupty Mayor and other senior official of Butwal Sub-Metropolitan City.

Pictures while counseling to girls by the ASSN staff and the Booth put by ASSN at Butwal Bus station

2. Awareness Raising and Empowerment Programme

Awareness raising and empowerment was conducted in the backward community where women and girls are high risk of trafficking and domestic violence. Due to the lack of awareness and illiteracy many

women and girls have easily felt on trap of trafficker. So it is necessary to conduct such programmes. After raising awareness women and girls can save themselves from the traffickers.

2.1. Activities

Under this programme following activity was conducted in the community the detail is below.

- **Orientation programme**

Two events of orientation programme were held during this quarter in Devdha municipality Municipalty, ward No- 10 and 5 Rupandhei district in those events our staffs had facilitated to make women oriented about girls trafficking and domestic women violence. In those two women 42 women were participated.

2.2. Method / Approach

The method / approach of conducting awareness rising and street drama programme are as follow.

- Coordination with local governance.
- Coordination with local community.
- Coordination with local women and girls.
- Facilitation by Artist
- Facilitation by the ASSN Staffs.

2.3. Achievements

The achievements of the activity of awareness raising street drama programme are below.

- From two orientation events 42 women have directly benefitted.

3. Income Generating / Vocational and Skill Development Programmes

Income generating/ vocational and skill development programme help to women and girls to become economically self-dependent generating the income themselves running small entrepreneurs. In the context of Nepal poverty is extreme even in the urban along with rural areas the government is unable to provide job to people. Due to the lack of job or income source many young girls have felt on the trap of trafficker in the hope to getting better job in India. So, these activities tried to solve this problem. There is need such types training to make women economically self depend.

3.1. Activities

The activities conducted by ASSN under the income generating/ vocational and skill development training programme are below.

i. Embroidering (Butik) Training

During this quarter Embroidering (Butik) Training was conducted at Butwal Sub- Metropolitan City ward no- 2, Pakhapani where ASSN's grace shelter home is located. This Training was started on January and closed on March during this three month 10 trainees were learnt skill about embroidering on clothes.

3.2. Method / Approach

The method and approach of the activities are as per following.

- Coordination with local organization and Government line agencies.
- Participants were selected for all trainings.

- Trainings were provided with the base of theoretically and practically.

3.3. Achievement

The achievement of Income generating/ vocational and skill development training is below.

- 10 women and Girls had taken Embroidering (Butik) training

4. Grace Shelter Home Programme

Among all the programs of ASSN, Grace Shelter home is the most important programme. Trafficking affected girls and women are psychologically depressed, may have experienced physical torture and more specially, they can't adjust to their community immediately and the society do not accept them. So, such girls and women need a safe and loving environment for a bit long time to overcome the trauma and stigma they just experienced. So they need protection from harm by traffickers, who fear prosecution for their act. ASSN has provided grace shelter home facility to such girls and women to safe, healing environment. In this home different services have been provided them and are aware about the problem related with girls trafficking, sexually transmitted diseases and other trafficking related activities. Considering such situation of Trafficked girls who come in Nepal escaping from brothels and the owner of brothels sent them after infected from different sexual diseases and they can become helpless because they cannot go their parents home due to the such stigmas the society do not accept them ASSN has established a grace shelter home have 4 persons capacity. it is located at Butwal Sub-Metropolitan City ward No-2, Pakhapani.

4.1. Activities

The activities to be carried out in the Grace Shelter home are below:

- Provide food to the girls and women living in the shelter home.
- Provide resident to the girls and women living in the shelter home.
- Provide different types of vocational and skill development training to the girls and women to rehabilitation them in the community.
- Provide treatment facility to them.

Vocational Skill Development training

In the grace shelter home different facilities are provided out of them one is vocational and skill development training. In the grace shelter home different types of vocational and skill development trainings are provided along with residential package to girls and women of grace shelter home that can be helpful them to be rehabilitation in the community and become self-dependent generating income. Even in this quarter there are 3 sisters.

Health facility

In this period one girl was suffered with fever problems and treatment was made her taking a Health person in the Grace Shelter home.

4.2. Method/ Approach

The methods of running shelter home are as follow;

- Appoint and house mother to care the girls and women.
- Take them at health center for treatment
- Trainings are provided to them theoretically and practically.

4.3. Achievement

The achievements are below;

- Currently 4 girls are living in the grace shelter home.
- Different types of trainings they are learning living there.
- One sister's health treatment was made.

5. Micro Enterprises Programme

The micro- credit business programme is also the main part of ASSN. Its main purpose is to train the victimized women and make them independent by giving skill development training and loan to run their business. The loan provided to them for establish business on the basis of skill what they have learnt is without interest and they have to return the loan in the installation basis. Now, two groups were running for micro

credit business, From April 2015, we have provided the loan to them retuning from pervious groups where 9 members are participated. ASSN has been providing them skill development training according to their needs and will invest in their business to make them independent.

5.1. Activities

The activities done under this programme are below;

- Provide necessary training.
- provide loan without interest to new groups to establish business

5.2. Achievement

9 women are running business with the loan support of ASSN

6. Education Programme

Under this project ASSN has been providing education to the homeless, poor, disable and orphan children of squatter and slum area and going to build toilet and drinking water tank in the school to provide safe drinking water to the student.

6.1. Geographical Area of the programme

Butwal Sub-Metroplitan City ward no- 11 Majuwa, Rupandehi dstrict

6.2. Objective

The objectives of the project are as below

- To provide education to the children of orphan, homeless, poor, disable.
- To provide safe drinking water and gender friendly toilet facility to the student of the school.

6.3. School Programme

The Scholarships programme is a long term programme of ASSN which is running continually. ASSN has been supporting to pro poor children, and helpless to continue their study. Seven children have been getting scholarships now. ASSN has been providing Rs. 1,000 per children per month and it has been spending 7,000/- per month for seven children

scholarships.

6.4. Toilet construction and safe drinking water management programme at School

The toilet and drinking water management programme conducted in Suryoday primary school at Majuwa of Butwa has not finished till now. So far Drinking water management work has been completed but the toilet is remaining the building has built but other part is remained to do there.

Story of Success

Sita B.K.

My name is Sita B.K. and my home is at

Chhahara of Palpa district. Due to the poor economic condition my marriage was in very young age and then the economic condition condition of my husband's home also was very poor so he went out to earn money. After that he did call me for some times but after some time going out he left to call me and the money also did not send. Where is he and what work he does was not known. And then, i was searching job due to being poor economic condition and small child (son). At the main while, a sister came in my village saying, i help you to get job and i came at Butwal with her not thinking and understanding anything and there she took Bus ticket from Acharya Tour and Travels for India and we were sitting on the bus to go to India. At that time two sister asked me where are you going coming close to me and i replied, " I am going to India" and they asked me, " with who are you going there and i replied, i am going there with sister for job". Then, they told me that about the human trafficking and how traffickers sell women taking in India all things in detailed. After that i knew that even me going to being trafficked in India and those sisters took me with them and one day i stayed at the grace

shelter home of ASSN and the following day i was returned at home in Palpa. When they took me at shelter home at that time i knew that those sisters were of ASSN staffs which work against the girls trafficking from the Butwal Bus Park the organization have saved life of many women and girls like me so i would like to many many thanks to the organization.

Melina Bhandari

My name is Melina Bhandari. I am 23 years old. My home lies at Chhang Municipality in Tanhu District. I was searching job due to the being extremely poor condition of my home. When i was child mother had died. There was problem in the home. My father works as mason in the house construction site but even that there was great problem to fulfill daily needs in the home. So, I was in the process of searching job. A neighbouring brother would up down from India, then once he said me that if you want to do job I can manage you a job in Indi and i went with him not thinking anything else and he took Bus ticket for Butwal to Delhi from Acharya tour and travels. After that we got up in Bus and set in sit and then two sisters came into the bus and asked me, " where are you going ?" and i said them, " I am going to India to do job and they told me about the girls trafficking. There in India girls are sold by the traffickers. After that i realized if so even I could be being trafficked and i went with them in their booth of Butwal Bus station. I got returned at home. I would like to thanks very much to those sisters and their organization.

Thank
