Projects of ASSN

1. Against Girls Trafficking.

Even though, there are many approaches to prevent girl trafficking. ASSN has been adopting some of such approaches in the field about the programmes activities and achievement has been described below.

1.1. Objective of the Programmes.

The main objective of the programme is to stop girls trafficking in Nepal;

the specific objectives of the programme are as per following.

- To carry out patrolling and counseling at border between India and Nepal and Butwal Bus station.
- To help the police to identify the traffickers to punish them.
- To save women and girls from reaching the brothels of different cities of Indian cities.
- To provide awareness about women and girls trafficking in the Communities.
- To provide Vocational and skill development programme in the backward communities focusing women and girls to make them self-dependent and job opportunities.
- To provide Income generating programme to women in the communities.
- To support women and girls for micro enterprises
- To provide shelter home to women and girls who have return back in Nepal after trafficked and can't rehabilitation in the communities and family and girls who are extremely high risk of trafficking and have found in the border while monitoring in the border.
- To make empower to women and girls of the communities.

1.2. Geographical Area of the Programmes

ASSN has been working in Rupandehi, Kapilvastu and Nawalparasi districts of 5 no province of Nepal.

1.3. Patrolling Programme.

Patrolling programme is running continuously to prevent girls

trafficking. Rupendehi district of Nepal has become a main transit point for women trafficking. Through this district and boarder, women and girls from different districts are used to taking India and other foreign country for different purposes. Among the Nepal- India open border, Sunauli is a main point for crossing the India many people uses this boarder while going to India. So, ASSN has been mobilizing volunteers at Sunauli boarder and Butwal Bus station area. We have found many girls moving to India for works but they are actually taken by Traffickers for prostitution. We have made those girls returned to their home after counseling by boarder staffs and those whose do not have parents and are homeless and helpless are kept in grace shelter home. From the July we have extended our boarder counseling programme at Thutibari Boarder in Nawalparasi district which is also one of the major boarders between India and Nepal through this boarder also trafficker take Nepal girls and Girls in India.

1.3.1. Activities.

Following activities are carried out in Suauli and Thutibari boarders and Butwa Bus Station under boarder patrolling programme.

- Strictly monitored in Sunauli boarder and Butwal Bus Station upon the women and girls who are going to India and crossing the border.
- Counseling to those women whom seem doubt
- The girls who are going to India with unknown person in different pretend and no have their parents in home and are at high risk of trafficking is referred to grace shelter home.

1.3.2. Method/ Approach

The method / approach of boarder patrolling programme has been written below

- Monitor in border and Butwal bus station with coordination of Nepal police.
- Staff stays in boarder and Bus Station area watching the women going to India.
- Counseling to women who are going in India.

1.3.3. Achievements

The achievements of patrolling programme since April to June is below.

1.3.4. Monitoring

ASSN border patrolling programme had been monitored by the senior official of Butwal Sub-Metropolitan City.

Pictures while counseling to girls by the ASSN staff and the Booth put by ASSN at Butwal Bus station

2. Awareness Raising and Empowerment Programme

Awareness raising and empowerment was conducted in the backward community where women and girls are high risk of trafficking and domestic violence and because of the lack of awareness of general health and sanitation many Nepalese women also facing difficult condition and some have also died so the awareness is essential to save women from different aspects. Due to the lack of awareness and illiteracy many women and girls, of the Dalit community who are considered untouchable according to the Hindu Caste system, have easily felt on trap of trafficker. So it is necessary to conduct such programmes. After raising awareness women and girls of Dalit community can save themselves from the traffickers.

2.1. Activities

Under this programme following activity was conducted in the community the detail is below.

- **Dalit's rights Orientation programme**

One events of orientation programme were held during this quarter in Sudhodhan Rural Municipality, Kapilvastu district in this event legal advocates had facilitated to make oriented to dalit people about dalit rights as well as girls trafficking and domestic women violence. In this event 45 women and male of Dalit community were participated. This event had hold in the financial support of the Suddhodhan Rural municipality office.

- **Nutrition and Sanitation orientation to Golden thousand Day Mothers**

This event of orientation had been conducted in financial support of Kapilvastu Municipality of Kapilvastu. In this event we had provided the orientation about the Nutrition and sanitation to the Golden thousand days mothers. In this events 212 such women were participated.

2.2. Method / Approach

The method / approach of conducting awareness rising and street drama programme are as follow.

- Coordination with local governance.
- Coordination with local community.
- Coordination with local women and girls.
- Facilitation by Artist
- Facilitation by the ASSN Staffs.

2.3. Achievements

The achievements of the activity of orientation programme are below.

- In the event of Dalit rights orientation 45 Dalit women and male have learned the Dalit rights and they also learn law and regulation to the trafficker if anyone was being trafficked to the girls and women.
- 212 mothers of during the Golden thousand days were benefitted learning the knowledge about the nutrition and sanitation.

3. Income Generating / Vocational and Skill Development Programmes

Income generating/ vocational and skill development programme help to women and girls to become economically self-dependent generating the income themselves running small entrepreneurs. In the context of Nepal poverty is extreme even in the urban along with rural areas the government is unable to provide job to people. Due to the lack of job or income source many young girls have felt on the trap of trafficker in the hope to getting better job in India. So, these activities tried to solve this problem. There is need such types training to make women economically self depend.

3.1. Activities

The activities conducted by ASSN under the income generating/

vocational and skill development training programme are below.

i. Sewing and Cutting Training

During this quarter Sewing and cutting Training was conducted at Shivaraj Municipality. This Training was started on February and closed on at the last of June during these five months 20 trainees were learnt skill about clothes sewing and cutting. This training had held with the financial support of Shivaraj Municipality and ASSN.

ii. Cusion and Dolls Making Training

This event of Income generating Cusion and Dolls making Training had been held in Maya Devi Rural Municipality of Kapilvastu district. In this training 15 women had benefitted taking participation in the training. This training had run 15 Days. In this short time, participated women had learnt the skill of making dolls and cusion. This training had been held in the financial support of Maya Devi Rural municipality and ASSN.

3.2. Method / Approach

The method and approach of the activities are as per following.

- Coordination with local organization and Government line agencies.
- Participants were selected for all trainings.
- Trainings were provided with the base of theoretically and practically.

3.3. Achievement

The achievement of Income generating/ vocational and skill development training is below.

4. Grace Shelter Home Programme

Among all the programs of ASSN, Grace Shelter home is the most important programme. Trafficking affected girls and women are psychologically depressed, may have experienced physical torture and more specially, they can't adjust to their community immediately and the

society do not accept them. So, such girls and women need a safe and loving environment for a bit long time to overcome the trauma and stigma they just experienced. So they need protection from harm by traffickers, who fear prosecution for their act. ASSN has provided grace shelter home facility to such girls and women to safe, healing environment. In this home different services have been provided them and are aware about the problem related with girls trafficking, sexually transmitted diseases and other trafficking related activities. Considering such situation of Trafficked girls who come in Nepal escaping from brothels and the owner of brothels sent them after infected from different sexual diseases and they can become helpless because they cannot go their parents home due to the such stigmas the society do not accept them ASSN has established a grace shelter home have 4 persons capacity. it is located at Butwal Sub-Metropolitan City ward No-2, Pakhapani.

4.1. Activities

The activities to be carried out in the Grace Shelter home are below:

- Provide food to the girls and women living in the shelter home.
- Provide resident to the girls and women living in the shelter home.
- Provide different types of vocational and skill development training to the girls and women to rehabilitation them in the community.
- Provide treatment facility to them.

Vocational Skill Development training

In the grace shelter home different facilities are provided out of them one is vocational and skill development training. In the grace shelter home different types of vocational and skill development trainings are provided

along with residential package to girls and women of grace shelter home that can be helpful them to be rehabilitation in the community and become self-dependent generating income. Even in this quarter there are 2 sisters.

Health facility

In this period normal fever and headache problems had been seen to the sister and treatment was made them taking medicine from the nearest medical.

4.2. Method/ Approach

The methods of running shelter home are as follow;

- Appoint and house mother to care the girls and women.
- Take them at health center for treatment
- Trainings are provided to them theoretically and practically.

4.3. Achievement

The achievements are below;

- Currently 2 girls are living in the grace shelter home.
- Different types of trainings they are learning living there.
- Normal diseases had been seen and did remedy taking the medicine from the nearby medical.

5. Micro Enterprises Programme

The micro- credit business programme is also the main part of ASSN. Its main purpose is to train the victimized women and make them independent by giving skill development training and loan to run their business. The loan provided to them for establish business on the basis of skill what they have learnt is without interest and they have to return the loan in the installation basis. Now, two groups were running for micro

credit business, From April 2015, we have provided the loan to them retuning from pervious groups where 9 members are participated. ASSN has been providing them skill development training according to their needs and will invest in their business to make them independent.

5.1. Activities

The activities done under this programme are below;

- Provide necessary training.
- provide loan without interest to new groups to establish business

5.2. Achievement

9 women are running business with the loan support of ASSN

6. Education Programme

Under this project ASSN has been providing education to the homeless, poor, disable and orphan children of squatter and slum area and going to build toilet and drinking water tank in the school to provide safe drinking water to the student.

6.1. Geographical Area of the programme

Butwal Sub-Metroplitan City ward no- 11 Majuwa, Rupandehi dstrict

6.2. Objective

The objectives of the project are as below

- To provide education to the children of orphan, homeless, poor, disable.
- To provide safe drinking water and gender friendly toilet facility to the student of the school.

6.3. School Programme

The Scholarships programme is a long term programme of ASSN which is running continually. ASSN has been supporting to pro poor children, and helpless to continue their study. Seven children have been getting scholarships now. ASSN has been providing Rs. 1,000 per children per month and it has been spending 7,000/- per month for seven children

scholarships.

6.4. Toilet construction and safe drinking water management programme at School

The toilet and drinking water management programme conducted in Suryoday primary school at Majuwa of Butwa was finished now. The instillation of water tank and taps had already finished we had mentioned about that on previous report and the toilet construction has finished now. Pictures of toilet has been attached below.

Story of Success

My name is Bishnu Sunar. My house is at Amarbesi VDC in Baglung District of Nepal. I am 20 years old. My maternal home's economic condition was very poor my mother and father would have been done labor work in houses construction sites. The money getting from wage working as labor would have not been sufficient for the subsistence.

Therefore, my parents got my marriage at the

age of 15 years old. After that i got love at my husband's home for the few times. After a bit long time getting marriage my husband began beat me drinking alcohol and he started to do bad behaviour to me. So, i can't tolerate the beat from him. After that i left home saying stay going a bit far from him doing work and i came at Butwal.

When i was at Butwal, one brother asked me coming near me, where are going? But i was thinking where to be go, at that time he said me i will get you work and then i got up on the Bus of India with the brother. In the meantime, two sisters came into the Bus and asked me, where are you going? And i replied them," I am going to India with this brother. Then listening that the shouted to the brother saying where and why are you taken her? And they advised me not to go India with him and said about girls trafficking. After that i realized that I am going to being trafficked. I thought that I was saved from being trafficked and went outside from the Bus. I gave very much Thank you to those both Sister who had saved my life from being trafficked and was returned at my home safely.

Thank
