Projects of ASSN

1. Against Girls Trafficking.

There are, however, many approaches to prevent girl trafficking. ASSN has been applying some of such approaches in the field. The programmes' activities and achievement of ASSN have been described below in the sub- topics of each events

1.1. Objective of ASSN's Prgrammes.

The main objective of the ASSN's programmes is to stop girls trafficking in Nepal and the specific objectives of the programmes are as per following.

- To make patrolling and counseling at border between India and Nepal and Butwal Bus station.
- To Support the Nepal police to identify the traffickers to punish them.
- To survive women and girls from selling the brothels of different cities of Indian cities and other third countries.
- To raise awareness on women and girls trafficking in the Communities.
- To make self-dependent to backward communities' women through different Vocational, skill development and income generating programmes in the backward communities.
- To support women and girls for micro enterprises
- To provide shelter home to women and girls who have return back in Nepal after being trafficked and those women who are extremely high risk of trafficking and those who have found in the border while monitoring in the border.
- To make empower to women and girls of the communities.

1.2. Geographical Area of the Programmes

At present, ASSN has been working in Rupandehi, Kapilvastu and Nawalparasi districts of 5 no province of Nepal.

1.3. Patrolling Programme.

Patrolling programme is running continuously to prevent girls trafficking. Now ASSN has been patrolling and counseling at Sunauli boarder, Butwal Bus Station of Rupandehi district and Thutibari Boarder of Nawalparasi district. Rupandehi district of Nepal has become a main transit point for women trafficking. Through this district and the Sunauli boarder, women and girls from different districts are taken to India and other foreign countries for different purposes. Among the Nepal- India open border, Sunauli is main point to crossing to India many people use this boarder while going to India. So, ASSN has been mobilizing volunteers at Sunauli boarder, Butwal Bus station and Thutibari boarder which is also one of the major boarders between India and Nepal through this boarder also traffickers use to take Nepali girls to India. We have found many girls going to India for works but they are actually taken by Traffickers for prostitution. We have made those girls returned to their home after counseling by boarder staffs and those who do not have parents and are homeless and helpless are kept in Grace Shelter Home.

1.3.1. Activities.

Following activities have been conducting in Sunauli and Thutibari boarders and Butwal Bus Station under boarder patrolling and counseling programme.

- Strictly monitored in Sunauli and Thutibari boarders and Butwal Bus Station upon the women and girls who are going to India and crossing the border.
- Counseling to those women whom seem doubtful
- Those girls who are going to India with unknown person in different pretend and do not have their parents in home and are at high risk of trafficking is referred to Grace Shelter Home.

1.3.2. Method/ Approach

The method / approach of boarder patrolling programme has been written below

- Monitor in border and Butwal bus station with coordination of Nepal police.
- Staff stays in boarders and Bus Station area watching the women going to India.
- Counseling to women who are going in India.

1.3.3. Achievements

The achievements of patrolling programme since January to March are below.

1.3.4. Monitoring

ASSN border patrolling programme had been monitored by the executive body of ASSN.

2. Awareness Raising and Empowerment Programme

Awareness raising and empowerment was conducted in the backward community where women and girls are high risk of trafficking and domestic violence. Due to the lack of awareness and illiteracy many women and girls have easily felt on trap of trafficker. So it is necessary to conduct such programmes. After raising awareness women and girls can save themselves from the traffickers.

2.1. Activities

Under this programme following activity was conducted in the community the detail is below.

- **Street Drama Demonstration**

One event of street drama was demonstrated at Ramgram Municipality ward no-10 of NawalParasi District.

2.2. Method / Approach

The method / approach of conducting awareness rising and street drama programme are as follow.

- Coordination with local governance.
- Coordination with local community.
- Coordination with local women and girls.
- Facilitation by Artist

2.3. Achievements

The achievements of the activity of awareness raising street drama programme are below.

- About 250 women and girls of Madhesi community of surrounding area were participated to see the drama. They had become aware about the Girls trafficking through the drama.

3. Grace Shelter Home Programme

Among all the programs of ASSN, Grace Shelter home is the most important programme. Trafficking affected girls and women are psychologically depressed, may have experienced physical torture and more specially, they can't adjust to their community immediately and the society do not accept them. So, such girls and women need a safe and loving environment for a bit long time to overcome the trauma and stigma they just experienced. So they need protection from harm by traffickers, who fear prosecution for their act. ASSN has provided grace shelter home facility to such girls and women to safe, healing environment. In this home different services have been provided them and are aware about the problem related with girls trafficking, sexually transmitted diseases and other trafficking related activities. Considering such situation of Trafficked girls who come in Nepal escaping from brothels and the owner of brothels sent them after infected from different sexual diseases and they can become helpless because they cannot go their parents home due to the such stigmas the society do not accept them ASSN has established a grace shelter home have 4 persons capacity. it is located at Butwal Sub-Metropolitan City ward No-2, Pakhapani.

3.1. Activities

The activities to be carried out in the Grace Shelter home are below:

- Provide food to the girls and women living in the shelter home.
- Provide resident to the girls and women living in the shelter home.
- Provide different types of vocational and skill development training to the girls and women to rehabilitation them in the community.
- Provide treatment facility to them.

Vocational Skill Development training

In the grace shelter home different facilities are provided out of them one is vocational and skill development training. In the grace shelter home different types of vocational and skill development trainings are provided along with residential package to girls and women of grace shelter home that can be helpful them to be rehabilitation in the community and become self-dependent generating income. In this quarter there are 4 sisters.

Health facility

In this period normal problems had been seen to the sisters and treatment was made them taking medicine from the nearest medical. And some tools to adopt to be safe from Corona pandemic were bought for the sisters. Such things are Sanitizer, Mask, some medicine to be safe from fever, headache, diarrhea and dysentery etc.

3.2. Method/ Approach

The methods of running shelter home are as follow;

- Appoint and house mother to care the girls and women.

- Take them at health center for treatment
- Trainings are provided to them theoretically and practically.

3.3. Achievement

The achievements are below;

- Currently 4 girls are living in the grace shelter home.
- Different types of trainings they have been learning living there.
- Normal diseases had been seen and did remedy taking the medicine from the nearby medical.

4. Micro Enterprises Programme

The micro- credit business programme is also the main part of ASSN. Its main purpose is to train the victimized, poor and marginalized women and make them independent by giving skill development training and loan to run their business. The loan is provided to them for establish business on the basis of skill what they have learnt without interest and they have to return the loan in the installation basis. Now, three groups are running for micro credit business, From April 2017, we have provided the loan to them retuning from pervious groups where 18 members are participated. ASSN has been providing them skill development training according to their needs and will invest in their business to make them independent.

4.1. Activities

The activities done under this programme are below;

- Provide necessary training.
- provide loan without interest to new groups to establish business

4.2. Achievement

18 women are running business with the loan support of ASSN

5. Education Programme

ASSN has been providing education to the homeless, poor, disable and orphan children of squatter and slum area.

5.1. Geographical Area of the programme

Butwal Sub-Metroplitan City ward no- 11 Majuwa, Rupandehi dstrict

5.2. Objective

The objectives of the programme are is to provide education to the children of orphan, homeless, poor, disable.

5.3. School Programme

Under the school programme ASSN has been providing continually Scholarship to seven pro poor children, and helpless children for their study who are studying Suryoday Primary School at Butwal Sub-metropolitan City ward no-11, Majuwa. Those seven children are getting Rs. 1,000 per children per month and it has been spending 7,000/- per month for seven children scholarships.

Story of Success

Case study of Anjali Pariyar

My name is Anjali

Pariyar. I am 22 years old. My father's name is Tomlal Pariyar and mother's name is Manakal Pariyar. My address is Gulmi district Resunga Municipality ward no-8, 5 no province of Nepal. My family is poor in my family we are 6 members my mother, two sister, one brother and I. When I had too young my father had died. In the absence of father there was too difficult to my mother to meet house hold necessity. So, I started to go for wage labour with mother in the house construction site leaving my study. There was difficult to meet household daily need even with the income of mine and mother. I have been thinking about how could be earn money and it would be good to provide better life of mother, brother and sisters. At that time, a sister staying nearest my work place coming talked with me. She told me that being such a beautiful man why are you working such types of work. I said her; work must do after sister being born into the poor family. Again she told me that go with me in India I will

arrange a good job for you and earn more money there and alleviate your poverty. Even to me was need money. And after that I was agree to go India with her and we came in Butwal Bus station and I was sitting on the bus after getting ticket for India from the Sita Tour and Travels. After some time coming two sisters asked me that where are going to sister. And I said them, I am going to India for Job and then they told me that about the girls trafficking and they also said me that how girls and women are sold going in India and then I also thought that it would be good to go with known person rather than stranger so I was returned at home. For such great help I would like to give thanks to those sisters and their organization ASSN.
