Projects of ASSN

1. Against Girls Trafficking.

There are, however, many approaches to prevent girl trafficking. ASSN has been applying some of such approaches in the field. The programmes' activities and achievement of ASSN have been described below in the sub- topics of each events

1.1. Objective of ASSN's Prgrammes.

The main objective of the ASSN's programmes is to stop girls trafficking in Nepal and the specific objectives of the programmes are as per following.

- To run patrolling and counseling at border between India and Nepal and Butwal Bus station.
- To Support the Nepal police to identify the traffickers to punish them.
- To save women and girls from selling the brothels of different cities of Indian cities and other third countries.
- To raise awareness on women and girls trafficking in the Communities.
- To make self-dependent to backward communities' women through different Vocational, skill development and income generating programmes in the backward communities.
- To support women and girls for micro enterprises
- To provide shelter home to women and girls who have return back in Nepal after being trafficked and those women who are extremely high risk of trafficking and those who have found in the border while monitoring in the border.
- To make empower to women and girls of the communities.

1.2. Geographical Area of the Programmes

At present, ASSN has been working in Rupandehi, Kapilvastu and Nawalparasi districts of 5 no province of Nepal.

1.3. Patrolling Programme.

Patrolling programme is running continuously to prevent girls trafficking. Now ASSN has been patrolling and counseling at Sunauli boarder, Butwal Bus Station of Rupandehi district and Thutibari Boarder of Nawalparasi district. Rupandehi district of Nepal has become a main transit point for women trafficking. Through this district and the Sunauli boarder, women and girls from different districts are taking India and other foreign countries for different purposes. Among the Nepal-India open border, Sunauli is main point to crossing the India many people use this boarder while going to India. So, ASSN has been mobilizing volunteers at Sunauli boarder, Butwal Bus station and Thutibari boarder which is also one of the major boarders between India and Nepal through this boarder also trafficker use to take Nepali girls to India. We have found many girls going to India for works but they are actually taken by Traffickers for prostitution. We have made those girls returned to their home after counseling by boarder staffs and those whose do not have parents and are homeless and helpless are kept in grace shelter home.

1.3.1. Activities.

Following activities have been conducting in Suauli and Thutibari boarders and Butwa Bus Station under boarder patrolling and counseling programme.

- Strictly monitored in Sunauli and Thutibari boarders and Butwal Bus Station upon the women and girls who are going to India and crossing the border.
- Counseling to those women whom seem doubt
- Those girls who are going to India with unknown person in different pretend and no have their parents in home and are at high risk of trafficking is referred to grace shelter home.

1.3.2. Method/ Approach

The method / approach of boarder patrolling programme has been written below

- Monitor in border and Butwal bus station with coordination of Nepal police.
- Staff stays in boarders and Bus Station area watching the women going to India.
- Counseling to women who are going in India.

1.3.3. Achievements

The achievements of patrolling programme since January to March are below.

1.3.4. Monitoring

ASSN border patrolling programme had been monitored by the executive body of ASSN.

2. Income Generating / Vocational and Skill Development Programmes

Income generating/ vocational and skill development programme helps to women and girls to become economically self-dependent generating the income themselves running small entrepreneurs. In the context of Nepal

poverty is extreme even in the urban along with rural areas the government is unable to provide job to people. Due to the lack of job or income source many young girls have felt on the trap of trafficker in the hope to getting better job in India and other foreign countries. So, these activities attempt to solve this problem. There is need such types training to make women economically self depend.

2.1. Activities

The activities conducted by ASSN under the income generating/ vocational and skill development training programme are below.

i. Sewing and Cutting Training

During this quarter Sewing and cutting Training was conducted at Butwal Sub-Metropolitan City ward no-2. This Training was started on October and was accomplished on March. The training had been run for six months in the training 10 trainees had learnt skill about clothes sewing and cutting. This training had been held with the financial support of free The beloved Nepali daughter, and had been organized by ASSN.

ii Embroidering Training

In this quarter one event of embroidering training had been carried out. The training had started on December and was accomplished on February and the training had run for three months. In the embroidering training 10 women and girls had been participated to learn skill to embroider clothes. The training had been held in financial support of Free the beloved Nepali Daughter.

2.2. Method / Approach

The method and approach of the activities are as per following.

- Coordination with local government of Nepal.
- Participants were selected for the trainings.
- Training was provided with the base of theoretically and practically.

2.3. Achievement

The achievement of Income generating/ vocational and skill development training is below.

3. Grace Shelter Home Programme

Among all the programs of ASSN, Grace Shelter home is the most important programme. Trafficking affected girls and women are psychologically depressed, may have experienced physical torture and more specially, they can't adjust to their community immediately and the society do not accept them. So, such girls and women need a safe and loving environment for a bit long time to overcome the trauma and stigma they just experienced. So they need protection from harm by traffickers, who fear prosecution for their act. ASSN has provided grace shelter home facility to such girls and women to safe, healing environment. In this home different services have been provided them and are aware about the problem related with girls trafficking, sexually transmitted diseases and other trafficking related activities. Considering such situation of Trafficked girls who come in Nepal escaping from brothels and the owner of brothels sent them after infected from different sexual diseases and they can become helpless because they cannot go their parents home due to the such stigmas the society do not accept them ASSN has established a grace shelter home have 4 persons capacity. it is located at Butwal Sub-Metropolitan City ward No-2, Pakhapani.

3.1. Activities

The activities to be carried out in the Grace Shelter home are below:

- Provide food to the girls and women living in the shelter home.
- Provide resident to the girls and women living in the shelter home.
- Provide different types of vocational and skill development training to the girls and women to rehabilitation them in the community.

- Provide treatment facility to them.

Vocational Skill Development training

In the grace shelter home different facilities are provided out of them one is vocational and skill development training. In the grace shelter home different types of vocational and skill development trainings are provided along with residential package to girls and women of grace shelter home that can be helpful them to be rehabilitation in the community and become self-dependent generating income. In this quarter there are 4 sisters.

Health facility

In this period normal fever and cold flue problems had been seen to the sister and treatment was made them taking medicine from the nearest medical.

3.2. Method/ Approach

The methods of running shelter home are as follow;

- Appoint and house mother to care the girls and women.
- Take them at health center for treatment
- Trainings are provided to them theoretically and practically.

3.3. Achievement

The achievements are below;

- Currently 4 girls are living in the grace shelter home.
- Different types of trainings they have been learning living there.
- Normal diseases had been seen and did remedy taking the medicine from the nearby medical.

4. Micro Enterprises Programme

The micro- credit business programme is also the main part of ASSN. Its main purpose is to train the victimized women and make them independent by giving skill development training and loan to run their business. The loan provided to them for establish business on the basis of skill what they have learnt is without interest and they have to return the loan in the installation basis. Now, two groups were running for micro credit business, From April 2015, we have provided the loan to them retuning from pervious groups where 9 members are participated. ASSN has been providing them skill development training according to their needs and will invest in their business to make them independent.

4.1. Activities

The activities done under this programme are below;

- Provide necessary training.
- provide loan without interest to new groups to establish business

4.2. Achievement

9 women are running business with the loan support of ASSN

5. Education Programme

ASSN has been providing education to the homeless, poor, disable and orphan children of squatter and slum area.

5.1. Geographical Area of the programme

Butwal Sub-Metroplitan City ward no- 11 Majuwa, Rupandehi dstrict

5.2. Objective

The objectives of the programme are is to provide education to the children of orphan, homeless, poor, disable.

6.3. School Programme

Under the school programme ASSN has been providing continually Scholarship to seven pro poor children, and helpless children for their study who are studying Suryoday Primary School at Butwal Sub-metropolitan City ward no-11, Majuwa. Those seven children are getting Rs. 1,000 per children per month and it has been spending 7,000/- per month for seven children scholarships.

Story of Success

Case study of Sunita Karki

My Name is Sunita Karki. I am 22

years old. My permanent address is Galkot Rural Municipality, Baglung District, Gandaki Province, Nepal. My father's name is Mahendra Bahadur Karki and Mother's name is Narikal Karki. In my home my father, mother, three sisters, one brother and me altogether Seven members we are. The economic condition of my family is very worst. My parent are farmers, they work as agricultural wage in others field. I also would work such work with my parent. Despite, the work would very hard we were compelled to do that work. Due to such difficult condition i did not get to study. So, my parent did get marriage at the age of 16 years old. Until the sometime of marriage my husband loved me but after a bit sometime my husband also started to beat me, to abuse me and he also do not give me food. The family of my husband told me that to be return go back in my maternal home. But it was difficult to go return back at maternal home for me, how to go there. So, without saying anyone, i came in Butwal thinking to be done dishes washing work in Hotel but it was not so easy what i had thought. I did not get work because i had not known anyone there and then i was sitting in the road and then one man came near me and asked me, where do you go? and i wept saying there is no place to go and the man said me let's go my home with me i will get you work in India taking you in India than that there was not any

alternative way to me except to go with him. So, I went with him and stayed with him two days and third day we went to take ticket to India. We took ticket for India from the Manisha Hotel and we got up on the Bus of India and the man got off from the Bus saying you sit on the Bus i come after sometime. At that time two sisters came there on the Bus and they asked me where are you going? I feared with them and did not speak and they told me that we have come from a organization, you tell us without fearing and then I told them all things about me and after that they told me a lot things about human trafficking as well as that they also told me should not tolerate injustice. After that i felt that i am also going to falls in the trap of trafficker and i was returned back home thinking whatever must be done i will do in own home. I would like to thanks to those sisters and organizations.
