

Ashish Social Service Nepal

Half-yearly Report January to June 2026

Submitted by

Ashish Social Service Nepal

Introduction:

Ashish Social Service Nepal is a non-profit social organization that has been working to end human trafficking and gender-based violence for the past 19 years. The organization is actively involved in prevention efforts and the empowerment of girls who are at high risk of sexual violence and human trafficking by providing educational opportunities, rehabilitation, and social development programs. The organization aims to improve their level of awareness by rehabilitating rescued women and children, providing skill development training, reuniting them with their families, assisting in business operations, helping them become self-reliant, and conducting awareness programs in the community. **Central office**
